### Hopeless and Helpless.

The consequences of a diseased condition of the stomach and digestive and nutritive system are most disastrous to the whole body. One by one every organ may become involved. The misery is maddening. The most extreme cases of "stomach trouble" and the evils resulting from it have been cured by Dr. Pierce's Golden Medical Discovery. It strengthens the stomach, purifies the blood and builds up the body with sound healthy flesh.

"I was taken with severe headache," writes Thomas A. Swartz, D. M. No. 2, Sub-station C. Columbus, Ohio, then cramps in the stomach, and my food would not digest, then kidney and liver trouble, and my back got weak so I could scarcely get around. I had given money to the doctors whenever I thought they would do me any good, but the more I doctored the worse I got until six years passed. I had become so poorly I could only walk in the house by the aid of a chair, and I got so thin I had given up all hope, thinking that I could not be cured. Then I saw one of my neighbor boys and he said, 'Take my advice and take Dr. Pierce's Golden Medical Discovery and make a new man out of yourself.' The first bottle helped me so I thought I would get another, and after I had taken eight bottles in about six weeks I was weighed and found I had gained twenty-seven (27) pounds. I have done more hard work in the past eleven months than I did in two years before, and I am as stout and healthy to-day, I think, as I ever was."

Dr. Pierce's Pleasant Pellets cure biliousness.

### FOR MY LADY.

Several shades of one color are to be worn on evening dresses.

A curious novelty originating in Paris is a striped cloth gown with checked sleeves.

Velvet or cloth applique upon cloth are to be the idols of the coming season and it is rumored that flounces upon the skirts and capes are to go.

There are two shades recognized by authorities for coats. One will be three-quarter length with the basque fitting tightly on the hips; the other will reach just three inches below the waist.

Jewels are to be more popular than ever this autumn. We are to have rings on our fingers and chains on our toes in the greatest profusion, while pearls are to be essential to the winter costume. The enthusiasts will wear two rows of these fastened in front of their hair, with a Louis Seize bow of black ribbon velvet.

The really wise woman will supply herself at once with a black dress trimmed with many lines of silken braiding; the skirt of this might be crossed on the left hip and outlined with scallops down one side and on the edge of the shaped flounce. With a short coat this should have a scalloped basque and collar, and the shoulder pieces should be cut in one with small epaulets.

### Notice.

Notice is hereby given that on or after August 1, 1899, the office, or room, occupied by the County Assessor situated in the county building, next door to the store now occupied by Joseph Platt, will be for rent. For particulars apply to

Geo. W. Cowing,

Clerk of Board of County Commissioners.
